Rotary Youth Leadership Awards is back after 2 years of no program due to the pandemic and RI's concern about health conditions.

Do you know a Junior or Senior in high school that has leadership quality? Applications will be accepted until the group is filled up. Usually around 80. Taylor Morgan and Rawly

LeeAnn got Rawly for me as a 30th birthday present in 2015. She was a healthy girl with a nice case of dog ADHD.

We love her very much and before kids took her on every adventure we went on. Now she loves the two little ones but due to space and time constraints does not get to come along on as many adventures. She does however still come with me to work every day. She is a key employee at Middlekauff Auto mall. Her position is head of positive moral. She's very good at her job!

Halle gets a taste of what a wet dog can do when it gets out of the lake.
